Detail of activities

When the support amount is confirmed, there was discussion with the finance committee of the producers to utilize the fund to support our producers. Finance committee is elected by our producers every year and the committee looks after financial activities of our organization.

In the meeting, the finance committee decided to distribute the total amount among all producers equally as the COVID problems were painful for everyone.

As per the decision of the Producer's finance committee, equal amount is distributed.

There were 97 producers and everyone was allocated Rs 4340.00. As per government regulations, 1% of any income was to be deposited for the welfare fund of government of Nepal, so Rs 43 was deducted and deposited to the fund. Every producer received Rs 4300 each.

All the producers were very happy as they received some income . But they are equally grateful to this support as they felt they have friends who remember them in crisis. All the producers have extended their sincere thanks to Weltalden-Dachverband, WeltPartner and all the organizations who generously provided the support,

Beneficiary
