Please describe your activities, outcome of activities and how many persons have benefitted (please use not more than 150 words).

Situation

- Covid-19 has made severe impact on lives of people and businesses. Due to strict lockdown for over 5 months, Mahaguthi was not able to pay to its producers and staffs.
- Some staffs and producers suffered from Covid and needed medication. Likewise, some had to go in quarantine as their family members got Covid-19
- Due to financial crisis, Mahaguthi was also not able to renew medical and other insurances for staffs and producers

Activities

The Covid relief fund has made difference and gave some support to producers and staffs of Mahaguthi. We have done following activities

1. Paid for insurance (medical and accidental) to all staffs and producers
2. Paid to those who had suffered and quarantine
3. Paid allowance to all producers and staffs to compensate for the period of lockdown.

Impact

- The fund was helpful as it has covered annual accident and medical insurance of 65 people, who otherwise would have been deprived
- The fund was a small support for those who had to undergo hardship of Covid. It covered their partial income for the time they were away due to Covid or quarantine
- Small token amount to all producers and staffs for the period of lockdown brought some happiness and motivated them to work.

We would like to thank Weltladen-Dachverband, German customers and our trading partner Frida Feeling for their support and love.

We agree that our report and the attached photos can be used for communication to donors and other interested parties, through the website of Weltladen-Dachverband and other media.
