Please describe your activities, outcome of activities and how many persons have benefitted (please use not more than 150 words).

We have provided relief food to 37 family instead of 20 family because we found more affected families later, managed disinfected materials in our showroom and office from which benefitted more than 200 people including 12 staffs, producer members, customers and visitors. 12 office staff received 1 month salary and the our organization paid two months house rent in this critical time from this fund. We set up new Showroom from which 60 producer members benefitted by exhibiting their products. Provided COVID Loan to 10 affected producer members directly and their 150 workers and artisans benefitted indirectly.

We agree that our report and the attached photos can be used for communication to donors and other interested parties, through the website of Weltladen-Dachverband and other media.
